Technical service

Planning a tournament, outdoor event, festival or other special occasion around the world?

Rental golf carts are a great solution for a variety of logistical challenges. Whether it's passenger transport or facility tasks, carts are versatile. You can also benefit from our extensive experience at top-class international tournaments - from the Porsche European Open to this year's Ryder Cup in Rome.

Our mechanics are available to guarantee the mobility of the rental fleet, as well as a fast spare part supply.

We at the Carts4Rent Group are your dependable point of contact, who will provide you with a personalized offer which caters to your needs no matter where your events take place.

**FOR ANY OCCASION
AROUND THE WORLD**

- **TV/Movie Shoots**
- **Short-Term-Rent**

Better together.

OUR NETWORK AROUND THE WORLD

LUXURY CARTS GROUP

United Arab Emirates, UK

"Founded in 2008 in Saudi Arabia, Luxury Carts Group was the first Golf Cart distributor to bring eco-friendly carts to the region. We opened our branch in the UAE in 2015 and are currently operating 12 branches in the GCC. Today, Luxury Carts Group is a premium Golf Cart distributor in the UAE and KSA. In 2024 the LC UK branch (a joint venture between Luxury Carts Group and Cart Care Group) was founded. We have built solid foundations for a successful future."

CART CARE GROUP

Austria, Denmark, Germany

"For 25 years we have been selling brand new golf carts and utility vehicles with electric motors and with petrol engines.. The history of the Cart Care Company is a real success story. Our recipe? We are enthusiastic and convinced about our product, because electric mobility in passenger transport is one of the challenges of our time. We are happy to be part of the solution."

CARRUS B.V.

Belgium, Netherlands, Luxembourg

"Carrus BV is a full service organisation and can cater to every need with respect to carts; sales, maintenance, supplies, advice & support. Customers find their problems solved quickly thanks to the fact that we supply from stock and the fact that we have our own workshop with specially trained mechanics. The many possibilities and the various uses of carts are the reason that our customer portfolio consists of many different sectors, including amusement parks, event agencies, catering companies and city authorities."

Simply convincing.

LARGE VEHICLE SELECTION

THE COMPACT CLASS

2-seater with and without cargo bed.
Perfect for moving quickly and comfortably over large areas.

PASSENGER SHUTTLE

Transporting people from A to B - quickly, easily and energy-efficiently. The Villager vehicles meet all these requirements, from from 4 to 8-seaters.

UTILITY VEHICLE

Carts as commercial vehicles are real all-rounders and suitable for many requirements. Available with a cargo bed or load box for transporting goods.

SPECIALS

Special tasks require special vehicles: wheelchair-accessible carts, patient transportation, range pickers or mobile catering.

WE HAVE MANY DIFFERENT VEHICLE MODELS, PERFECTLY SUITED TO YOUR INDIVIDUAL NEEDS. ASK US.

Experience mobility.

Our rental fleet is fully equipped with the IO Tee keyless drive system. This allows you to manage and track the carts online and check the battery status.

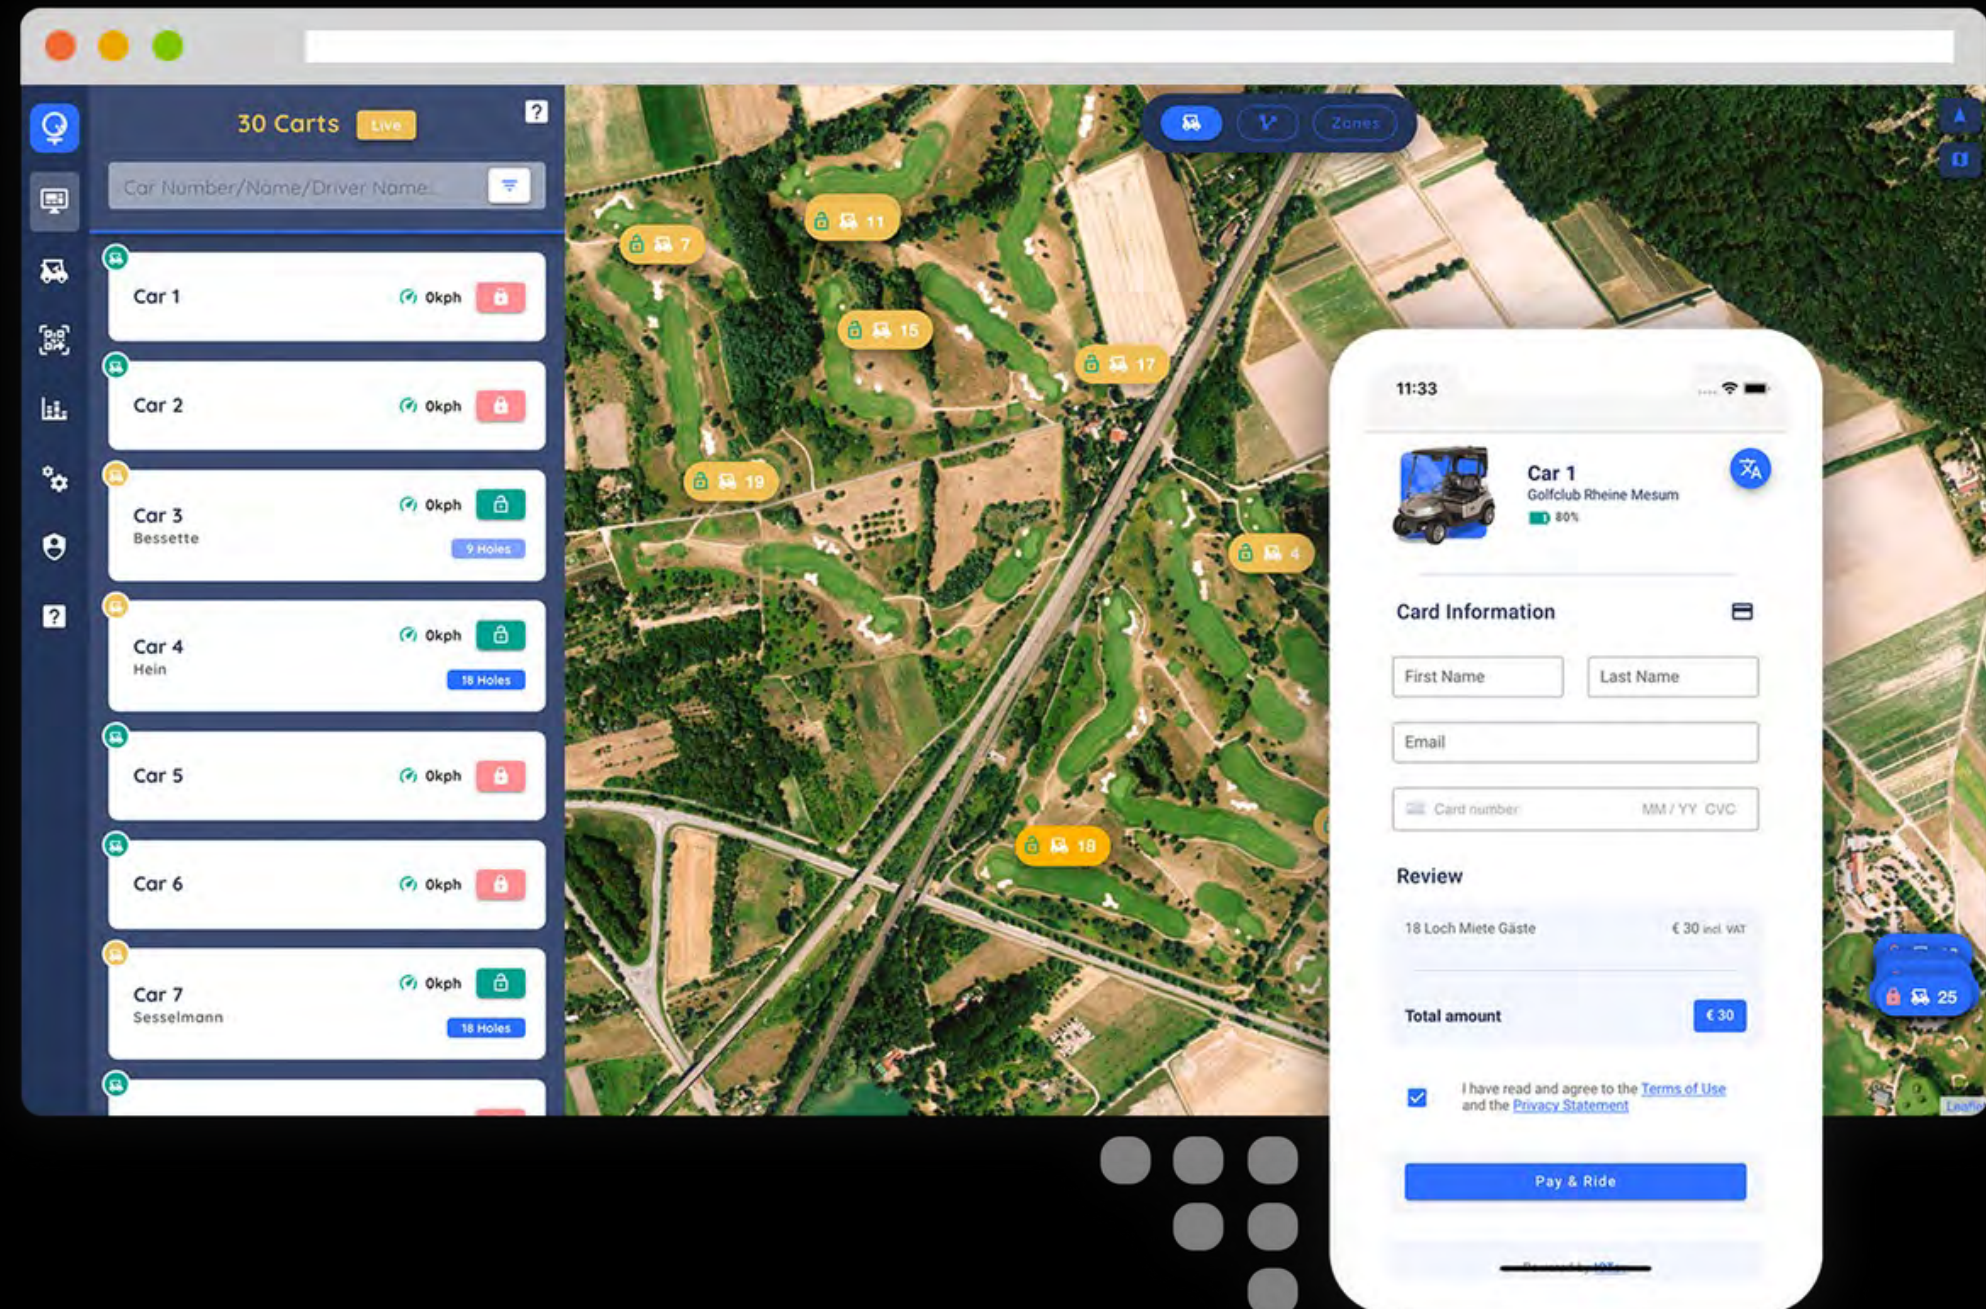

Keyless-Drive

Scan-to-Ride

Easy driver handling

That's what moves us.

ELECTROMOBILITY IN
PASSENGER
TRANSPORTATION IS ONE
OF THE CHALLENGES OF
OUR TIME.
WE ARE HAPPY TO BE PART
OF THE SOLUTION.

Club Car®

OFFICIAL SUPPLIER

Ryder Cup 2023.

In 2023, Carts4Rent was entrusted with handling the carts at the Ryder Cup by Club Car for the first time. A great honor for us and a mammoth task that we gladly accepted.

Ryder Cup 2023 in figures:

- Third largest sporting event worldwide
- 271.191 total spectators
- 60.000 spectators per day
- Guests from 121 countries

Our task:

- Handling of 350 carts
- Assembly and maintenance
- 6 employees on site on average
- Shift operation from 5 am to 11 pm

Gamechanger IO Tee

The handling of the cart fleet at the Ryder Cup has reached a new level with the help of IO Tee. According to the European Tour, cart handling has never worked so smoothly and perfectly before.

- **820 accredited drivers**

- Individual driver assignment to the driver
- Unlock code or RFID wristband for the vehicles were issued to the drivers
- 44,044 registered journeys
- approx. 90,000 km total distance traveled with the carts

- **Overview of fleet**

- Position and battery status of the vehicles
- Easy change of assigned carts to new drivers
- Damage tracking and assignment
- Chat function with QR code for reporting problems
- Collection of usage data for future data-driven decisions

CUSTOMER TESTIMONIALS & REVIEWS

triton projects

Willy Irish

(Managing Director)

"As part of the preparations for this year's Ryder Cup, Triton Projects was able to use carts provided by Cart Care, and we are delighted with the operational relief that resulted from using them.

The Club Car vehicles were not only technically outstanding, but also extremely user-friendly. The ease of use thanks to IOTee and the intuitive controls helped our staff to fully concentrate on their tasks without having to worry about technical difficulties.

We would also like to thank Frank, Theresa and your on-site team for their first-class service and professional support.... "

DGS - DEUTSCHER GOLFVERBAND

Robert Bruck
(CEO)

"Cart Care is an important partner for us for the golf sector. The expertise of the team around Frank Ockens is remarkable.

In many projects, Cart Care has already proven, that it is very reliable and also offers creative solutions."

EPS INTERNATIONAL

Katharina Faber
(PROJEKTASSISTENZ)

"From initial contact, quotation and implementation - the Cart Care has been very service orientated. We are 100 %satisfied, both with the carts, as well as with the handling as a whole.

KÜHNE + NAGEL (AG & CO.) KG

Niklas Skodock
(MANAGER)

"The Cart Care Company is a very competent partner and the carts that we used at the Hanover exhibition centre have fulfilled their purpose perfectly and were delivered on time. We have already rented carts for the entire new year and are looking forward to further cooperation.

LUXURY CARTS GROUP

Accelerating the Future

"Founded in 2008 in Saudi Arabia, Luxury Carts Group was the first Golf Cart distributor to bring eco-friendly carts to the region. We opened our branch in the UAE in 2015 and are currently operating 12 branches in the GCC. Today, Luxury Carts Group is a premium Golf Cart distributor in the UAE and KSA.

In 2024 the LC UK branch (a joint venture between Luxury Carts Group and Cart Care Group) was founded. We have built solid foundations for a successful future."

Services & Parts: With a network of service outlets and mobile service centers, we stand ready to maintain and repair your vehicles or machinery.

WHO WE ARE.

Cart Care

Club Car

CART CARE GROUP

Yes, we care!

For 25 years we have been selling brand new golf carts and utility vehicles with electric motors and with petrol engines. We are the market leader in Germany, Austria and Denmark and will continue to expand our business in the future. In addition to the pure trade in carts, it is our concern to offer our customers an all-round carefree package. This includes a comprehensive repair service, spare parts deliveries, a rental fleet of over 240 vehicles, a used vehicle market and smart software solutions.

Our employees are all competent and experienced and always seek personal contact with our customers.

The history of the Cart Care Company is a real success story. Our recipe? We are enthusiastic and convinced about our product, because electric mobility in passenger transport is one of the challenges of our time. We are happy to be part of the solution. Our heart beats for golf and with our diverse commitments we support players and clubs wherever we can. Would you like to learn more? Then get in touch with us at any time.

WHO WE ARE.

CARRUS B.V.

We ♥ Carts

Carrus BV is Europe's Golf cart and part supplier. We are a professional organisation that sells products through a dealer network spanning the whole of Europe. Carrus BV is a full service organisation and can cater to every need with respect to carts; sales, maintenance, supplies, advice & support. Customers find their problems solved quickly thanks to the fact that we supply from stock and the fact that we have our own workshop with specially trained mechanics. The many possibilities and the various uses of carts are the reason that our customer portfolio consists of many different sectors, including amusement parks, event agencies, catering companies and city authorities. We offer our customers the options of buying, renting or leasing carts. And to guarantee their mobility and leave them with nothing to worry about, we also offer our customers in the Netherlands and Belgium a comprehensive service and maintenance contract.

A photograph of a row of dark-colored golf carts parked on a paved surface. The carts are viewed from a low angle, showing their front ends and headlights. An orange banner with white text is overlaid on the top right of the image.
